REMARKS/ARGUMENTS

No claims are amended, canceled, or added. (Claims 1-61 were previously canceled.) Claims 62-89 remain pending in the application. Applicants respectfully request reexamination and reconsideration of the application in light of the following remarks.

Claims 62-89 were rejected under the judicially created doctrine of obviousness-type double patenting as unpatentable over claims 1-21 of U.S. Patent No. 6,669,489. Applicants submit herewith a terminal disclaimer with respect to U.S. Patent No. 6,669,489, which should overcome this rejection.

No other rejections or objections were made in the Office Action. Applicants therefore submit that all of the claims are allowable and the application is in condition for allowance. If the Examiner believes that a discussion with Applicants' attorney would be helpful, the Examiner is invited to contact the undersigned at (801) 323-5934.

Respectfully submitted,

Date: November 22, 2004
